Open Door Campaign Naming Opportunities

At the Open Door, we're committed to meet people at their point of need. For many, that first encounter is a meal. In this Special Edition Newsletter, we share with you the specific Naming Opportunities of the Pathway Home Capital Campaign. Our largest and lead opportunity is for someone like you to name our Kitchen! In partnership with our Lead

Dining Room/Kitchen \$300,000

Donors, we give you the option of honoring someone by "naming" the project, section, or room you choose to fund. (see the many examples on the pages that follow)

Have you ever known someone who was truly, truly hungry?

Bringing compassionate care in the form of food, drink, or shelter is a blessing to that person, but also blesses God!

"Lord, when did we see you hungry and feed you, or thirsty and give you drink? ... And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'" Matthew 25: 38, 40

Please enjoy the inspiration and opportunities that are available here for funding. Call the office if you'd like to help!

I'm so encouraged by the progress we are now seeing in the new building and the people who have stepped forward to make our dream a reality. My hope is that you, too, would catch the vision or have your own dream for making a difference in the lives of so many people in need. As you can see, there are many opportunities to make that difference by considering the naming of one of our spaces.

Upon completion of the Pathway Home Campaign, we will be able to help more people than ever before. Just the other day, I was walking downtown and ran into a prior guest from Code

Blue. I was so encouraged to hear that he is now working fulltime and has his own apartment. He has reconciled to his family and is now a positive influence on his teenage children. He's worked hard to get where he is but he said it would never have happened without Code Blue and the Open Door Mission.

It's people like you, who give our guests an opportunity for a hope and a future. Call me when you find something your family or business can rally around. I would love to see your name on our wall!
